Dear Mr Galalea,

I have been informed that you have breached the online netiquette agreement, and therefore University regulations. As detailed at the start of each course and copied below, postings that breach netiquette will be removed and this has occurred.

8 . Any derogatory or inappropriate comments are unacceptable

Such comments are subject to the same disciplinary action that they would receive if they occurred anywhere else within the university. Any offensive postings will be removed from the discussion forums.

I am suspending your access pending a decision by the Department's Director of Public Programmes. You will be informed of this decision next week.

regards,

Claire Kelly.
